

## Spring 2024 Program Ad Sale

The Bayonne Youth Band & Orchestra will be selling advertisements for its 2024 Spring Concert Program. The program will be digitally distributed and posted online for downloading and printing. Ads can come from local businesses or from families or friends who would like to wish a member goodluck or post any announcements within the program.

In order to sell an ad, have the business/person create an ad on an 8.5 by 11 inch piece of paper, or they can simply give a business card which will be scanned in color and added to the program ad space. The larger ads will be adjusted for the ad space.

Space in the program will sell for:

- <sup>1</sup>/<sub>4</sub> page ad \$5
- <sup>1</sup>/<sub>2</sub> page ad \$10
- Full page ad \$15

Please also complete one ADVERTISEMENT FORM for each sale and attach the ad/business card to the form when submitting the ad and money. All ads must be paid for in advance, ads submitted without payment will not be published. Copy the form below as needed, or download and print more forms from the BYBO Schoology page. Alternatively you can get blank ad forms at our weekly rehearsal.

When completing the form, PLEASE make sure it can be traced to the paper/business card ad through the family name and/or business name - they should MATCH or add a note!
