

Bayonne Youth Band & Orchestra

Media Release Form

The Bayonne Board of Education is proud of the achievements of our faculty and students and often publicizes the many successful programs, projects and activities that make our schools a model of urban education. Video and audio recording provide an audio-visual record of activities happening during the student's school year. Recordings of teachers and students engaged in learning activities often are shown on our cable television channel 77 BEN TV.

Additionally, there are occasions in our schools when photographs are taken of faculty and students engaged in education activities. Frequently, such photographs include individual students, as well as, group pictures and may appear in local newspapers, the Internet, and other forms of media. Often students are identified by name in such photographs. Before publishing any pictures or videos, we are asking for the permission of our student's parent/guardian as required by New Jersey State Bill A592.

The BYBO will be posting to social media and adding photos and videos to our website to help promote our program and to show off our students' talents! Our teachers *do not have access to all of your child's information on our district database, so even if you completed a media release form for your child on the parent portal, we ask you complete another for the BYBO. Please Note! If you select "I do Not give permission" your child will be able to participate in lessons and rehearsals, but they will not be permitted to perform in concerts as they are recorded in both audio and video.*

FOR THE 2024-25 SCHOOL YEAR I DO give my permission for my child to appear in any/all category of media releases sanctioned by the Bayonne Board of Education, which may include newspaper, periodicals, Board of Education webpage, web postings and events or programs videotaped for airing on BEN TV channel 77 local access viewing. I further grant permission to identify my child by name, thus receiving **deserved** recognition for their good work in band.
